## Fiscal Analysis

### ASSUMPTIONS:

#### **Office of Public Instruction**

1. The Office of Public Instruction will provide agency support to the work of the Education and Local Government committee within its existing resources.

#### **Legislative Branch**

2. The Legislative Branch would incur an additional cost of \$13,000 for committee member per diem and travel expenses every 6 years. It assumed that no study would be performed in this biennium.

### TECHNICAL NOTES:

It is unclear from the language in HB 310 whether the periodic review of the definition of a basic system of free quality public elementary and secondary schools will begin in the 2007 biennium and when the first report to the legislature would occur.
